Yesterday 31<sup>st</sup> August 2016, during the opening evening of the 73th edition of the Venice International Film Festival, top model Bianca Balti, testimonial of the Italian fast fashion brand, chose to wear a dress from the exclusive capsule collection designed by Jean Paul Gaultier for OVS.

A double-breasted trench coat in black taffeta. Short at the front and long at the back, stern and masculine at the top, the iconic trench is reinterpreted to become an incredible evening dress - sexy and feminine – to wear next to the skin or over invisible garments.

Bianca Balti worn OVS accessories and Chopard jewellery.

The capsule collection will be on sale in a selection of stores and online on [ovs.it](http://ovs.it) from mid-November.
