ON THE RED CARPET OF THE 74th INTERNATIONAL VENICE FILM
FESTIVAL**

*The limited edition dress worn by the OVS ambassador
available online exclusive from 20th September*

Venice, 30 August 2017 - For the inauguration evening of the 74th Venice International Film Festival, Bianca Balti, ambassador of the leading fast fashion brand in Italy, chose to walk the red carpet in an OVS outfit that will be available exclusively online at ovs.it and ovsfashion.com.

Total look in off white - currently the most on-trend - for the top model, consisting of a micro dress in cady under a silk organza maxi kimono, inspired by the elegance of the Samurai. A brand new shape, with a grosgrain belt to add a special emphasis to the waistline and highlight Bianca's feminine style.

The micro dress and the kimono in black, will be available exclusively online at ovs.it and ovsfashion.com from September 20th.
