The independent candidates in each list must be indicated with the numbers 2/4 of the list, with the non-independent candidates.

It is hereby reminded that, Article no. 24.2 of the By-laws of the Company requires that Standing Statutory Auditors and Alternate Statutory Auditors be appointed in compliance with the rules in effect from time to time pertaining to gender balance. Auditors who, in accordance with the laws and regulations, are not eligible or not in possession of the necessary requirements, cannot be elected and, if elected, their position shall be forfeited. The requirement of Article no. 1, paragraph 2, letters b) and c), and paragraph 3 of Decree 162/2000 of the Ministry of Justice is valid if the professional experience is based, respectively on: (i) the operating sector of the business; (ii) legal, economic, financial and technical/scientific subjects relating to the sectors in (i) above.

In addition to the other cases laid down by law, auditors who hold the office of standing auditor in more than five Italian companies listed on Italian regulated markets cannot be elected and, if elected, their position shall be forfeited. The further provisions on the limits of the total number of offices set out in Article no. 144-terdecies of Consob's Regulation no. 11971 of 14 May 1999 are applied.

It is reminded that, in the event where – upon the expiration of the above-mentioned deadline for the submission of the lists – only one list will be filed, or only lists submitted by Shareholders that are connected to each other pursuant to Article no. 144-quinquies of Consob's Regulation no. 11971 of 14 May 1999 will be filed, it is then possible to submit additional lists until the third day following such date, precisely within 5:00pm on 18 June 2020); compliance with the aforementioned time is necessary in order to allow the Company to publish the lists filed by the Shareholders within the term provided for by art. 144-octies of the Consob Issuers Regulation, which also expires on 18 June 2020. In such case, the minimum participation to the share capital for the submission of the lists will be reduced by half and will be therefore equal to 1.25% of the share capital.
